## SPEAKER PROFILE

**TANAY GHOSAL**  
Head of GRC Solutions, GRC – Partners Asia

Tanay brings extensive expertise to the field of governance, risk, and compliance (GRC) as a seasoned leader with more than 12 years of experience.

Presently, he holds the position of Head of GRC Solution at GRC Partners Asia, a prominent provider of GRC solutions within the Asia-Pacific area.

**DR. NURMAZILAH MAHZAN**  
Independent Non Executive Director,  
TH Plantation Berhad

Dr. Nurmazilah has accumulated over 29 years of experience in various roles within the accountancy profession.

She conducts occasional training sessions on topics such as Integrated Reporting, ESG, and the future of Corporate Reporting on behalf of the Malaysian Institute of Accountants (MIA) and The Institute of Internal Auditors, Malaysia (IIAM).

**ALVIN SHI CHEE CHIN**  
Head of Business Continuity Management  
Division, Time dotcom Berhad

Alvin Shi is a seasoned Business Continuity Management (BCM) practitioner with a decade of diverse experience in implementing and managing business continuity and disaster recovery initiatives across various industries.

He excels in conducting Business Impact Analyses (BIA), risk assessments, and developing comprehensive business continuity plans to ensure organizational resilience.
